I'm a soybean farmer.

## Together, we raise our community's standard of living.

Animal agriculture is the soybean industry's number one domestic customer. Iowa beef, dairy, pork and poultry producers purchase over 3 million tons of locally grown soybean meal to feed their livestock. And they generate more than \$634 million in tax revenue.

A strong animal agriculture industry in Iowa helps ensure a better living for soybean farmers and the entire rural community. By supporting livestock producers, we help ourselves.
